#### HOW DO WE COLLECT YOUR DATA?

On the one hand, we collect your data when you communicate it to us. This can be, for example, the data entered in the contact form.

Other data is automatically recorded by our IT systems when you visit the website. These are primarily technical data (e.g. internet browser, operating system or the time the page was viewed). We collect this data automatically as soon as you enter our website.

#### WHAT DO WE USE YOUR DATA FOR?

Some of the data is collected to ensure that the website is error-free. Other data may be used to analyze your user behavior.

#### WHAT RIGHTS DO YOU HAVE IN RELATION TO YOUR DATA?

At any time, you are entitled to receive free information about the origin, recipient and purpose of your stored personal data. You are also entitled to request correction, blocking or deletion of this data. You can contact us at the above address at any time if you have any further questions about data protection. You also have the right to file a complaint with the competent supervisory authority.

#### ANALYTIC TOOLS AND THIRD PARTY TOOLS

When you visit our website, your surfing behavior can be statistically evaluated. This is mainly done with cookies and so-called analysis programs. Analysis of your surfing behavior is generally anonymous; surfing behavior cannot be traced back to you. You can object to this analysis or prevent it if you do not use certain tools. You can find detailed information about this in the privacy statement below.

You can object to this analysis. We inform you about the possibilities of protest in this data protection declaration.

## **2. GENERAL INFORMATION AND MANDATORY INFORMATION**

### DATA PROTECTION

The operator of this site takes the protection of your personal data very seriously. We treat your personal data confidentially, in accordance with the legal data protection regulations and this data protection declaration.

We would like to draw your attention to the fact that data transmission over the Internet (e.g. during e-mail communication) may involve security gaps. Full data protection against access by third parties is not possible.

### DATA CONTROLLER

#### **Responsible for data management on this website:**
